MRS. NORMA CARR

Reception Honors Mrs. Norma Carr

More than 125 co-workers, parents of students, other friends and admirers gathered in the Marina Cafeteria to honor Mrs. Norma Carr, retiring school nurse, at a reception hosted by the five Albany P.T.A. units.

In the receiving line with Mrs. Carr and her husband, George, was their daughter Jane and the P.T.A. Presidents.

Speaking on behalf of the Board of Education, Superintendent Kenneth M. Forry expressed appreciation for the many years of devoted service. "You will always be considered a member of the Albany School family," Forry said.

Robert Dennis, Assistant Superintendent of Albany Schools, reminded the host of friends that it was through the efforts of Mrs. Carr that many children had been located in fine foster homes and needy aged had received the care to which they were entitled. "Nothing ever was too much effort for Norma Carr," Dennis said, "your service truly has been over and above the call of duty, you have made Albany a better place in which to live."

Mayor Jerome Blank brought the greetings from the City Council who with Councilmen Lewis M. Howell, Lee Keck, and William T. Donahue congratulated Mrs. Carr for her service to the City. "It will be impossible to find one to replace her," the mayor said.

Mrs. Frances Tilbury, her co-worker in City-School Health matters, told the guests that it was through Mrs. Carr's untiring efforts that the local health program had received such fine recognition. Mrs. Tilbury brought greetings from Dr. Robert McMahon, City Health Officer, who expressed regrets in being unable to attend.

Reasons for Choosing a Bank

(especially the Mechanics)

One of the things people like about "Mechanics" is that the personnel is not continually shifted around. They get acquainted with certain people who understand their business and they do not find one day that this person has been transferred to a new location and that they have to start all over again.

Of course, Mechanics is not static, regular promotions are made but there is a continuity in management and personnel which people like. Banking contacts are not made overnight and people appreciate this.

Another reason why so many say, "My Bank is the Mechanics."

Come in to see us to get those ideas for where to go and what to see. If we do not have a folder on your chosen area - don't give up - we have a supply coming from tourist bureaus throughout the state of California and other states as well.

Remember your Chamber of Commerce is open for your convenience every afternoon from 2 p.m. to 5 p.m. These are the hours until Monday, June 8, during your Chamber of Commerce manager's vacation. Back on the job then -

A communication from the Alameda County Fair's Special Events Department reads - "There's good news for your 1959 Alameda County Fair." The program seems to prove these words.

June 1 will mark the close of a busy year for the 21 units of the Albany-Berkeley Council of Parents and Teachers when it meets for its final session at Live Oak Park Community Center, at 12 noon. Under the leadership of Mrs. Alden Cox for the past two years the Council has provided many services for the units. These will be narrated by Mrs. Ralph Harding, historian.

Four selections will be sung by the Berkeley-Albany Mothersingers, conducted by William M. Phillips, and accompanied by Mrs. Gertrude Maxham. ALBANY MAY GET BIG SUPER MARKET

Coming to the Albany City Council with approval of the Planning and Zoning Commission was a request for rezoning of three lots on Kains Avenue at the north city limits from first residential to six-story commercial. The rezoning is being requested with a view to construction of a super market on San Pablo and extending through the block to Kains. The corresponding lots on the east side of San Pablo already are zoned for six-story commercial.

There were no definite plans submitted with the request, but it was understood the market was to face north, with a parking lot just across the creek to the north.

There was some discussion as to the type of building contemplated, and Councilwoman Zahn demanded to know why the rezoning called for "six-story commercial" instead of "three-story commercial" which she asserted should be sufficient for any market building. There was some comment that perhaps the promoters might eventually wish to build a two or three story structure through from San Pablo to Kains, but to provide for the possibility of eventually adding additional stories uniformly between the two streets.

Mrs. Zahn demanded that the council be provided with definite plans by next Monday night so the council would have more information to work with. Her motion to postpone one week was adopted unanimously.

In other action the council discussed the proposal of Ray Cirmell, of 808 Solano Avenue, that "walk-wait" pedestrian signals be installed at the Solano-San Pablo intersection as a safety measure. The council agreed as to the need for such signals, which would be similar to those in service at University and Shattuck in Berkeley, but referred the matter for study to the Traffic and Safety Commission and requested City Engineer John D. Dayton to take the matter up with California Division of Highways Traffic Engineer J. F. O'Shea. The State would pay half the cost, estimated at \$2,000, as San Pablo Avenue is under State Highway jurisdiction.

Possible closing of San Gabriel Avenue near Cougar Field, which has been under study for some months, also came up for discussion. This would mean the opening of Spokane Avenue to the athletic field. Mayor Blank named a committee of three to get together with school authorities to iron out the complications involved. Superintendent of Schools Kenneth M. Forry expressed his willingness to meet with such a committee when he learned of the council's action. The Mayor's committee consists of Councilman Keck, Elmer Nelson and Clayton Berling.

Approval of installation of "Yield" signs at the Madison and Washington Avenue intersection was also granted by the council.

A proposed city budget for the 1959-60 fiscal year was submitted by City Clerk Myrtle J. McLean and was referred to the budget committee for study.

SUNKIST "CUTIE" FROM CALIFORNIA

There must be something in the California air, as skaters from this state seem to be more show-minded than blade artists from other sections of the country. Maybe it's the Hollywood influence, at least so says Carol Caverly of Compton, star of "College Inn" —with Shipstads and Johnson Ice Follies of 1959. In the all-new, 23rd edition you'll see many, many new stars including Judy Lawrence, Jo Ann Dawdy, Barbara Myers, Glenn and Colleen and others. Polio Vaccination Clinic Planned

Thursday, May 28

In cooperation with the Berkeley Department of Public Health, the Northbrae Junior Women's Club is holding a Berkeley Polio Clinic. The clinic will be Thursday, May 28, 5 to 9 p.m. in the Washington School cafeteria, corner of Bancroft and Grove Streets. There will be a second clinic Tuesday, June 16 between the same hours and at the same place. The date of the third clinic will be announced later. There will be a \$1.00 charge per shot. Those who are allergic to penicillin will be given special consideration.

Pre-school children, adults over forty years of age, and anyone who will be in regular contact with children this summer are especially urged to receive the shots. For those who have received the full series of three shots, the fourth shot will be offered.

Dr. Burt Heda and Dr. Peter Strykers are two of the medical personnel who are giving their

time for this necessary service.

Chairman from the Northbrae Club is Mrs. Eldon Wolf of Albany. Her assistants will be Mrs. Richard Jacobs, Mrs. John Fox, Mrs. William Pharaoh, Mrs. Robert Olson, Mrs. Charles Mooney, and Mrs. Robert Elliott.

Clean-up Helps to Defeat Crime, Says Albany Police Chief

The current Clean Up — Paint
 Up — Fix Up campaign fights
 crime as well as beautifying the
 city according to Police Chief
 Ralph M. Jensen.

"As alleys are cleaned, shrub-
 berry trimmed, yards better light-
 ed due to campaign activities, the
 person with criminal intent loses
 his favorite hiding places from
 which attacks are often made,"
 Chief Jensen explained.

"Furthermore, as youthful en-
 ergy is converted into productive
 actions during the campaign, the
 value of 'juvenile decency' be-
 comes clearer to youngsters.
 They are more aware of the
 many worthwhile and satisfying
 channels of activity available in

Albany. Also, they realize that
 working with their friends and
 others for a joint goal is a re-
 warding experience. At the same
 time they learn a healthy respect
 for property — their own and
 that of others. All of these ele-
 ments help fight the juvenile delin-
 quency problems.

"In addition," the police chief
 continued, "during a compre-
 hensive Clean Up — Paint, Up —
 Fix Up campaign, focus is placed
 on shabby, run-down neighbor-
 hoods and those areas that are
 severely blighted. As these dis-
 tricts become improved, during
 the campaign or as a result of a
 long range program triggered by
 the campaign, the environmental
 causes of crime and delinquency
 are reduced.

"Clean Up — Paint Up — Fix
 Up — Help Prevent Crime,"

At the Mothers' Day meeting
 held recently, members voted

 for the year.

A lovely gift was presented to

 ficers for the next year. They

Change in Fire Permit Policy Here Announced

Captain Richard T. McSheehy
 of the Albany Fire Prevention
 Bureau stated today that a
 change of policy in the issuing of
 fire permits is necessary to meet
 changing demands.

"Due to legislation and Air
 Pollution (smog control) District
 regulations it becomes necessary,
 for better control, to reduce the
 renewal period of Annual Burn-
 ing permits to a period of six
 months. Persons now holding
 one year permits will not be ef-
 fected until they are notified that
 theirs has been revoked or the
 one year period has expired,"
 the captain said. He added that

the Fire Department appreciates
 the citizens' cooperation and any
 questions that they may have
 will receive prompt attention if
 they call the Fire Prevention
 Bureau, Landscape 5-7141.

Maine Sardine Sandwich

EAT A MAINE SARDINE sandwich every day for vibrant health. This advice was the result of extensive nutritional experiments conducted at the Massachusetts Institute of Technology. Maine Sardines supply large quantities of the important food elements lacking in bread. As sandwich fillings, they are delicious and supply high-quality protein and essential fatty acids which tend to build muscles, not fat.

Oil Industry Centennial
LETTERS FROM 33 GOVERNORS were placed in a crude oil pipe line May 5 at Corsicana, Texas, and at this moment are passing the country underground. The 1,255 mile trip is a clever and appropriate event calling attention to a great industry.

Mrs. Carr Retiring As Public School Nurse in Albany

After more than a quarter of a century of service, first to the Albany-Berkeley community and later to Albany alone, Mrs. Norma Carr is retiring from her duties as school nurse.

In 1923, Mrs. Carr returned to the Bay area from the Milwaukee Health Department where she was employed following graduation from the University of California and the granting of degrees of R.N. and P.H.N. at the University of Wisconsin. As a Public Health Nurse, she served the Albany Unified District, the City of Albany, and the Berkeley-Albany Visiting Nurses Association, until the latter severed its connection with Albany in 1938. At that time, Mrs. Carr became Albany's first full time nurse.

In addition to school and city nursing, this generous lady has coordinated the city's campership program, had charge of licensing Boarding Homes for children and aged, taught adult education classes in Home Nursing and First Aid, and day classes at Albany High School in conjunction with the American National Red Cross. She has been a member of the several professional organizations in her field, serving two successive terms as treasurer of the Alameda County Nurses' Association, and is a Soroptimist.

The Carr family members have been residents of Albany since 1940. George is in the insurance business, and daughter, Jane, is majoring in Social Service at U.

Albany Day Camp Registrations Now Being Accepted

Elmer Nelson, Superintendent of Albany's Recreation Department, announced today that registrations for the department's summer day camp for youngsters between the ages of 7 to 12 are now being accepted.

There will be three two-week sessions at Terrace Park beginning July 6, operating Monday through Friday from 10:00 a.m. to 3:30 p.m. Youngsters may enroll for one, two or three sessions, Nelson said.

Adult Counselors at the camp will be Marian and Gene DeSoto who have handled the camp activities for the past five years.

Activities for the boys and girls will include nature study, hiking, excursions, cook-outs, crafts, games, singing, storytelling and community nights. Those interested may contact camp director Gene DeSoto, at Landscape 6-6130.

Nelson also announced that C. Mrs. Carr plans to assist her husband in his business, and have plenty of time to indulge her hobbies of music, gardening and hiking.

Albany P.T.A. units hosted a reception honoring Mrs. Carr at the Marin School, Marin and Santa Fe Avenues, Albany, May 25. Arrangements for the program and refreshments were made by Mrs. Lee Seidell, Marin; Mrs. Jack Murrow, Cornell; Mrs. Lawrence Lane, Albany High School; Mrs. T. E. Beckhuesen, Vista; Mrs. James Robbins, MacGregor.

Albany Camera Club Will Hold Meeting May 28

Irvin J. Pruter, president, reports that all arrangements have been completed for the entering of a queen at the San Francisco Stern Grove festival on May 24. Miss Carolyn Lovens, granddaughter of the Harold Dicksons, 1307 Marin Avenue, Albany, has been chosen Albany's queen.
